Dear Indian American community leader:

On behalf of the House Majority, it is our pleasure to invite you to the Indian American Meetup, which will take place at the United States Capitol on November 19, 2013.

The Meetup will provide a unique opportunity for leaders of Indian American communities across the country to connect with Members of Congress to discuss legislative and policy priorities, both on the domestic and foreign policy fronts. We want to hear about the issues that are important to you, so that we can work together to secure a more prosperous America.

Based on your involvement and leadership in the Indian American community, we would be honored to welcome you to the United States Capitol on November 19. The program will last from 9:00 am to 4:00 pm. We will have remarks from Congressional leadership and members of key committees, as well as breakout sessions where participants can discuss topics of interest with Members of Congress.

Please contact Amy Reagan at (202) 225-5107 or amy.reagan@mail.house.gov to register and reserve your spot for the Indian American Meetup. I would also invite you to share this invitation with other members of the Indian American community. If you have any questions please do not hesitate to call.

We look forward to welcoming you to Washington, DC on November 19!

Sincerely,
