PROTEST THE POGROMS

Modi brings disunity and shame to Indians in the US

More than 50 reports from Indian and International human rights organizations implicated the government of Narendra Modi in this genocide. Reports indicate that these fascists are getting funds from their supporters in the US.

The New York Times, *Religious Riots Loom Over Indian Politics*, Celia W. Dugger, July 27, 2002

Human Rights Watch, *"We Have No Orders To Save You"; State Participation and Complicity in Communal Violence in Gujarat*, April, 2002

US State Department, *International Religious Freedom Report 2002*

Deccan Chronicle, *Modi Stopped Officials, Say Judges*, August 9, 2002

The Hindu, *Mr. Modi Must Go*, March 13, 2002

"To keep up the purity of the Race and its culture, Germany shocked the world by her purging the country of the Semitic races -- the Jews. Race pride at its highest has been manifested here. Germany has also shown how well-nigh impossible it is for Races and cultures, having differences going to the root, to be assimilated into one united whole, a good lesson for us in Hindusthan to learn and profit by." (p 43)

M.S.Golwalkar, Founder of the Rashtriya Swayamsevak Sangh (RSS), in "We. Our Nationhood Defined" Golwalker's picture is hung in the Indian Parliament by the fascists.

In the spring of 2002, thousands of Indians were butchered and burnt alive. Hundreds of women were gang-raped and sexually tortured . Hundreds of Villages were "ethnically cleansed". Even today the victims are being persecuted.

Narendra Modi is to be honored by the Asian American Hotel Owners Association (AAHOA) during their convention that coincides with the 3rd anniversary of the Gujarat genocide in Fort Lauderdale, FL in March.

This shows the arrogance and the reach of the Hindutva-Fascist supporters of Narendra Modi in the US. (Hindutva is an ideology inspired by the rise of Mussolini and Hitler who are still considered heroes by Hindutva-fascists). These extremist elements have infiltrated many Indian professional organizations).

Modi's party is spreading hatred against Christians, Muslims, and other minorities in the other states of India. His government has displaced thousands of indigenous tribes in the name of development.
